

Welcome to Quaver!

Hi Creek View Families!

Quaver's Marvelous World of Music is one of the many teaching tools provided to us by Fulton County. Your child has seen Quaver videos in class and played with many of the interactive white board activities provided to teachers on the site. Quaver also has many music activities that students can do at home. Please work with your child to create his/ her free account. I will be posting activities that your child will love doing at home during free time. I may be using Quaver as an instructional tool at some point, but for now, it will just be one more tool in your box for finding fun things for your child to do at home.

How to register:

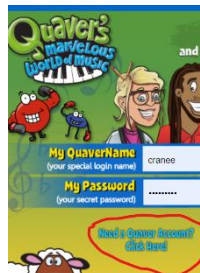

1. Go to www.quavermusic.com

2. Click on Login

3. Click on Need a Quaver Account

4. Fill in information and then enter the Code I have provided for your child's class. Hit enter and you are done!

5. Now you can go to Quaver Street!
6. The first thing your child can do is click on the avatar and personalize it.

This is me:

7. Then they can start to explore in Quaver Street!

I will post different things they can do on my website: creekview music.weebly.com

A fun one to start with is Qgrooves. It is a drag and drop way to compose a song.

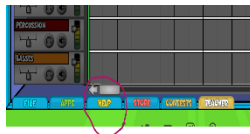

Click on Studio

Click on Qgrooves

Need help? Click on Help

and then

for directions.

Have Fun!!
